Dear Anita,

Abe Rosenwald is setting up a new corporation which will provide consulting services for investments in resort properties, entertainment properties as well as small food businesses and party planning. Rosenwald Capital Management Inc will retain these consulting services for \$50,000 per quarter (\$200,000 per year). Abe will bill in advance beginning October 1, 2025.

I will discuss with you in greater detail upon my return to LA in October.

Many thanks,

Jamie
