How about Shafer? It was recommended by a work friend and I don't think we've been there yet.

Hi all,

Dad and I agree with all of you that it is not necessary to go to Napa on the weekend of Sept 15 for the party. September is a busy month, having the Napa weekend during that month will make it more stressful less chillax.

So to that end, I am suggesting two weekends that we can consider.

July 27 -29
Aug 3-5

Please let me know which of these works the best for you or at all.
