Dear Abe & Benno,

Wonderful seeing you last night and hearing the update on fabulous trip to Santa Fe.

My Scuba Certification is from NAUI: National Association of Underwater Instructors. It is an Open Water I Scuba Diver certification. I received the certification in May, 1994. The certification number is 12959.

I began my scuba studies in 1969 and took many dives in Tobago prior to certification in the US. I have likely logged more than 200 dives in my lifetime including 25 dives while on a liveaboard off of Palau in Micronesia.

I hope that this helps.

Big Hugs,

jamie
