Dear Abe,

Thank you for organizing a busy schedule. Looking forward to hearing the stories about the Heller/Rosenwald/Coudert-Morris/Adler Thanksgiving.

Love,

Subject: Tentative Maldivian Agenda

Dear Family,

Please find the attached tentative agenda for our upcoming Maldivian adventure! This schedule will allow us to experience all the island has to offer in terms of activities and restaurants. I have left lunches mostly free as I think we

can handle that once we arrive, just as we will do for breakfast. Please let me know if there are any activities missing that you would like to add, and as always, there is plenty of room for flexibility here. We plan to split our time between Yoga & Beach Boot Camp/Gym, but all of these workout times and activities are interchangeable, should some of us wish to participate in one or the other. I have booked Laura & Jamie for Yoga every day.

Laura & Jamie, as I know you generally like to have multiple spa days, you may want to book those independently from this schedule.

Benno and I are so excited for quality family time!

Warmest regards,

—

Abe Pollister
