Dear Sharon,

Just a reminder that I am working on my remarks for the wedding and would enjoy hearing your thoughts on how I should characterize their relationship from your perspective.

If you would rather give a speech during the wedding ceremony, I would be happy to turn the microphone over to you for your thoughts on their relationship and the marriage?

I am quite flexible as this is a work in progress.

Hugs,

jamie

So nice to hear from you! Thank you for doing this. I'll get back to you soon with my short and sweet remarks. 😊

Hugs to you and Laura.

Dear Sharon,

Abe & Benno have asked me to be the Officiant at their wedding which has now been moved up to August 25th so I need your help in writing my remarks.

I thought it would be nice to hear from each of the Mother's who are responsible for shaping them into the wonderful people we know and love.

Please help me by providing me with the answers to, "what you love most about your son" and, "how do you see Abe & Benno as a couple."???

Please keep the answers short and sweet.

Big Hug,

Jamie Rosenwald
