Lauren,

Happily we made it to the Arctic Tree House Hotel and were amazed to find a usable shower and toilet in each room. Dinner last evening and breakfast this morning were quite good and the service is acceptable. We are all relieved and happy. We also had a marvelous time with a family which offered dog sledding along with Yoga and Sauna at their cute house near Rovaniemi. They are an adorable family and went out of their way to teach us all how to ride the dog sleds, use their home sauna and provide a Yoga lesson in between along with food and drinks before we all left. It has been the highlight of the trip thus far. Sadly, the concept of Northern Lights remains a mystery.

We have two choices as regards the rental cars;

1. One is to leave our two cars in the Parking Lot of the Arctic Tree House Hotel and have someone from the agency drop them back at the Lulea Airport? We don't have any need for the cars so can leave the keys with the Front Desk on 12/30 or 12/31 whichever is easiest?
2. Alternatively, I can call Avis and drop them off here in Rovaniemi?

Please advise,

Happy New Year,

jamie
