Abe,

We made it to London safely and are relaxing before heading out to dinner.

You are invited to join for the Cayman trip and can join the flight to Cayman, departing on Saturday morning, March 21st or return to LAX with us on March 28th. We will be using Net Jets for the trip and others will want to join so please tell me which dates work best for you.

Love,

J

Dear Jamie & Laura,

Benno and I have just finalized our schedules for March, and it looks like we *are* able to come to Cayman in March, granted we are invited! We can't stay the entire week, but we could do half the trip on either end - the 21st - 25th or 25th-29th. If you'd like us to join, what do your travel plans look like for that week?

Hope you made it to London safely!

Love,

B&A
