Lauren,

These all look perfect. Please make the reservations using our Personal AMEX if you have it on file? If not, use the Business AMEX.

Best,

jamie

Let me know if these flights are what you had in mind. If so, will all of the charges go on Jamie's business AmEx?

Also just pointing out that if we all wanted to take the delta flight on the 26th (as I think the Jossi/Max crew also prefer delta), it does look like there are enough seats for all of us on DL615, at least looking at delta.com.

For whatever reason delta is only giving us the option for a refund and not an ecredit, so we will just have you rebook the new flights. Thank you

Also, we already had a return flight booked on delta months ago at \$800pp so we should be able to use that credit on the delta flight to Cancun. Delta.com won't let me cancel one leg of the flight so I'm just waiting on delta to call me back and issue the ecredit. I can send them to you shortly. Thank you

Lauren,

We will need 9 business class seats from LAX to Cancun and 6 business seats returning to LA and 3 returning to NYC. Plus we will need St Regis to pick us up at the airport.

Thanks
