Dear Gerardo,

There will likely be 8 skiers in the group so I would suggest that we meet 2 instructors at the Mont Cervin on the first day, March 5th at 8:30am for a Full Day of instruction using the VIP plan that you attached.

We are also interested in arranging help with bags from the train to the hotel on March 4th in the afternoon. How can we arrange?

Many thanks,

James Rosenwald

Subject: Ski Guides

Dear Monte Cervin Concierge,

My family will be staying with you beginning on March 4th, 2024. We will need a guide or two for skiing around Zermatt for four days.

How would you suggest we reserve mountain guides? We are all intermediate or advanced skiers.

Thank you in advance,

James Rosenwald
